SIMON WIESENTHAL b orn 31 Dec 1908

allegedly

Linked with the SR Min of Interior, allowed to look through their files once or twice. (NOTE CZECH DEFECTORS COULD BE COMMUNISTS)
[REDACTED] says he saw WIESENTHAL once in the West [REDACTED] on CIS orders to get W. to act as consultant to Czech doing film on War criminal. W. said he had worked with US but was not US agent -- thought the Czechs thought he was US agent. [REDACTED] got impression W. afraid he would be lured to Prague and dealt with as JORDAN, another Jew was. (Note: [REDACTED] had Jewish wife who recently fled to Israel with his children.)

Federal Prosecutor's

At Ludwigsburg is the West German Office for the Investigation of War Criminals

W suspected of bringing the police and having set up his own private pro-Jewish intelligence agency, not friendly with some other Jewish set-up. (1951)

Newspapers say Simon WIESENTHAL, chief of the Jewish Documentation Center in Vienna, found EICHMANN and now (1963) found Erich RAJAKOWITSCH, EICHMANN's right hand man. W Said R was Also Sov Spy. W has had quite a few success-- no cops are going to write off info and leads from him as nonsense.

W has contact with at least one RIS officer: GAVILEVSKIY. Sovs have given W leads and he has exposed former W criminals at their request. (THEY MAY BE THE INSPIRERS OF THE SEARCH FOR MUELLER???

1963 W contacted the BfV (Bessel-Orck) who asked us for traces.

Eichmann trial was in 1961 April, when also the hue and cry for MUELLER got into an u-trend. (When was EICHMANN actually captured?) (Gaxtakimy in afermern May 1960 Capture and May 22 1960)

W had connections with HOETTLER, who of opinion MUELLER survived.

Source for the RIS agent Otto VERBER, who of the opinion his RIS Case officer did not trust WIESENTHAL.

W gets around like a case of diarrheaah and leaves traces just like it all over also. Works back to back with Viennese police and has scads of money. Obviously also collaborates with IIS and was the prime mover in the EICHMAN affair.
